Purpose:

The Dominion Energy Matching Gift Program supports employees, retired employees and directors in their commitment to build better communities in which they live and work. It encourages participants to make contributions by matching their gifts to educational institutions and charities of their own choosing.

Eligible Participants:

The program is open to all full-time and part-time (1000 hours or more) employees and current members of the Board of Directors. Retirees are deemed eligible if the employee is at least age 55 with three years of service when he or she terminates employment.

Program Highlights:

- Eligible gifts will be matched on a dollar-for-dollar basis.
- To recognize volunteerism, the donor may request a two-for-one matching gift once per calendar year for a gift from \$50 to \$2,500. The donor must serve on the Board of Directors of the recipient organization or have volunteered 50 hours of service to the organization within the past 12 months.
- Minimum gift is \$50. Combined matching gifts to eligible organizations are subject to a \$5,000 limit (including volunteer match) per donor per calendar year.
- Only the tax-deductible portion of the gift will be matched.

Administration:

- Completed matching gifts requests verified by the non-profit organization will be processed quarterly, as follows:

Verified by	March 1	June 1	Sept. 1	Dec. 1
Processed by	March 31	June 30	Sept. 30	Dec. 31

- Gifts must be personal contributions in the form of cash (personal check or credit card) or publicly traded securities. Securities are valued at the average price on date of transfer.
- Requests submitted more than three months after the donor's gift date are no longer eligible for matching.
- The Foundation reserves the right to suspend, amend or terminate this program at any time without notice and reserves the right to determine whether a grant shall be made. Interpretation is at the discretion of the Foundation, and its decisions are final. No participant or eligible institution will acquire any rights against the Foundation by reason of its failure to make a matching gift.
